## ***Growing through the Sunday Scriptures***

July 29, 2018  
Seventeenth Sunday in Ordinary Time  
2 Kings 4:42-44  
Psalm: 145:10-11, 15-16, 17-18  
Ephesians 4: 1-6  
John 6: 1-15

A reading from the Holy Gospel according to John::

Jesus went across the Sea of Galilee. A large crowd followed him, because they saw the signs he was performing on the sick.

Jesus went up on the mountain, and there he sat down with his disciples. The Jewish feast of Passover was near.

When Jesus raised his eyes and saw that a large crowd was coming to him, he said to Philip,

"Where can we buy enough food for them to eat?"

He said this to test him, because he himself knew what he was going to do.

Philip answered him,

"Two hundred days' wages worth of food would not be enough for each of them to have a little."

One of his disciples, Andrew, the brother of Simon Peter, said to him,

"There is a boy here who has five barley loaves and two fish; but what good are these for so many?"

Jesus said, "Have the people recline."

Now there was a great deal of grass in that place. So the men reclined, about five thousand in number. Then Jesus took the loaves, gave thanks, and distributed them to those who were reclining, and also as much of the fish as they wanted.

When they had had their fill, he said to his disciples,

"Gather the fragments left over, so that nothing will be wasted."

So they collected them, and filled twelve wicker baskets with fragments from the five barley loaves that had been more than they could eat. When the people saw the sign he had done, they said,

"This is truly the Prophet, the one who is to come into the world."

Since Jesus knew that they were going to come and carry him off to make him king, he withdrew again to the mountain alone.

### **Focus questions:**

1. Do you believe in miracles? Have you ever experienced a miracle?
2. Recall a time in your life when you didn't have enough.
3. Name an experience of coming together with others that made everyone happy.

### **Family and children's question:**

Describe a time when you helped prepare a meal to feed a large group. What did you contribute?

## **FR. ANTONY'S LETTER**

Dear Friends,

**Father: What good is the steam** that comes out of the spout on the kettle when it boils?

Son: Mother can open your letter before you get home.

Steam is a power. We can use it for good or bad. The value of the power depends on its user's intention. We cannot save/keep the power dormant. When we don't use the power in the right way, it will tempt/make us use it in its violent/evil way. Either we have to use it or it will use us in its own way.

**In today's Gospel the disciples who were sent on mission, come back to Jesus** to report what they did and taught. They saw how the demons obeyed the power that Jesus gave them. After hearing their report Jesus takes them to a quiet place to reflect over the moments of their mission. The final lines of today's Gospel expresses how Jesus wants them to understand their mission to the people. It should be one of compassionate service, as a shepherd embracing the sheep who go are on the verge of going astray without a shepherd.

**The mission of Jesus is not the display of power** but to care for the sheep by service. Mission is not to put forth what the missionary wants but to bring forth the sheep into the flock protecting and providing life so that God may fulfill his plan in them. Let us put on the spirit of caring and serving those who are given under our care.

**This week a Vincentian priest, Fr. John Doia Dang will preach on behalf of the Propagation of Faith.** The second collection will go to the Propagation office to help preach and promote Christ's values through the missionaries working in different parts of the world. Whatever we give is our own little way of participating in the mission of Jesus which began in Jesus and continues in His disciples for the last two millenniums and more. Your donations are gratefully appreciated.

With love and prayers,

Fr. Antony

### PARISH OUTREACH

So often lately, we seem to hear complaints of varying degrees...the traffic is terrible, the roads are full of potholes, the beaches are too crowded, the lines in the supermarket are too long...etc. etc. Before we know it, we have surrounded ourselves not only with negative thoughts, but with negative people as well. Take a small side step away...and regroup-literally. Do you want to be a complainer or a rejoicer? Do you want to be someone to whom people turn, to find a similar negative frame of mind...or someone to whom people can turn to find a more positive outlook; to help them feel better? Sure, we do not live in a perfect world – but we can make sure that we appreciate God’s beauty in Nature around us, in the family and friendships that we have, in the bounty we have been given. The time for complaining is when we vote, or have a chance to speak directly to someone who can effect change.

And who better can effect change, than the people of St. Thomas More parish, who can help make life more bearable by donating not only food at this time of year, but also start to bring in school supplies for the children of our clients who will be getting ready to go back to school. We will be giving out supplies during the last week of August, so you have time to gather your supplies for one lump sum donation, or a smaller donation every week...

*Catholic Charities of the Diocese of Rockville Centre continues to work on the front lines of helping immigrant children. Anyone wishing to make a monetary donation in support of immigrant children can do so by visiting [www.CatholicCharities.cc](http://www.CatholicCharities.cc) On the homepage, under the heading “Support our work with Immigrant Children” click on the link that reads “Designate a gift here.” On the Network for Good page, donors must designate that they would like their donation to be used for immigrant children. Checks can also be mailed to: Catholic Charities Development Department 90 Cherry Lane, Hicksville, NY 11801*

*Be sure to enclose a note designating that the donation is for immigrant children and note it on the check as well.*

And did you know? Every year, about 98% of the atoms in your body are replaced...

**Philadelphia vs Catholic Social Services: The Archdiocese of Philadelphia and 3 foster parents are suing the City in a religious freedom case centered on the placement of children in foster care.**

**Despite issuing a recent plea for more candidates for foster care,** the City of Philadelphia has abruptly ended contracts with Catholic Social Services (CSS) and Bethany Christian Services because it disagrees with their teaching on marriage and family. These Christian agencies do not interview same-sex couples as candidates for foster care. Instead, they refer these couples to dozens of other agencies that do place children in same-sex homes.

**However, these agencies do work with LGBT youth.** But, their religious convictions do not allow them to place any children into homes headed by LGBT adults. "CSS is, at its core, an institution founded on faith-based principles," said spokesman Ken Gavin. "As such, CSS would not be able to consider foster care placement within the context of a same-sex union."

**Three women who have cared for foster children for many years** were named as plaintiffs and charged that the city's actions discriminate against them "for their religious beliefs and practices (and) unlawfully try to coerce them to speak contrary to their religious beliefs ..."

**"What justice is there in taking stable, loving homes away from children?"** said one foster parent. "If the city cuts off CSS, foster moms like me won't have the help and support they need to care for the special-needs kids."

Another foster parent said, "I have relied on CSS for (professional) support for years and the city is taking away this help and is causing harm and heartache to countless families like mine."

## **New Pastoral Letter Commemorates Fiftieth Anniversary of Humanae Vitae**

Fifty years ago, on July 25, 1968, Pope Paul VI issued an Encyclical Letter entitled *Humanae Vitae*, “On Human Life”. On October 14, 2018, Pope Francis will canonize his predecessor as Pope Saint Paul VI.

In this anniversary year, Bishop John O. Barres of the Diocese of Rockville Centre has issued a Pastoral Letter entitled *The Supreme Gift: The Gift of Life*, commemorating the encyclical of this soon-to-be-canonized saint. This teaching of the late Holy Father is in many ways more important today than at any time before.

In his letter, Bishop Barres wants to teach the people of the diocese the important truths of *Humanae Vitae*, because these truths very much need to be reexamined today in light of the problems we face in our time.

Please take a copy of *The Supreme Gift* home, read it, and discuss it as married couples and as families. Bishop Barres says: “Understanding the teaching of *Humanae Vitae*, believing it, and living it, is one of the first and most important answers to the crisis of our time. I truly believe that the future Pope Saint Paul VI wrote the letter more for our times than even for his own. Today, it can become the first step in repairing the injury between men and women, husbands and wives, parents and children, the family and society.”

At the Mass of Beatification of Pope Paul VI in 2014, Pope Francis said of his predecessor:

“When we look to this great Pope, this courageous Christian, this tireless apostle, we cannot but say in the sight of God a word as simple as it is heartfelt and important: thanks! Thank you, our dear and beloved Pope Paul VI! Thank you for your humble and prophetic witness of love for Christ and his Church! ... In [his] humility the grandeur of Blessed Paul VI shines forth: before the advent of a secularized and hostile society, he could hold fast, with farsightedness and wisdom – and at times alone – to the helm of the barque of Peter, while never losing his joy and his trust in the Lord.”

Visit [drvc.org](http://drvc.org) for an electronic copy in English and Spanish. Thank you.
