### **A reading from the Gospel of Matthew:**

When Jesus was born in Bethlehem of Judea, in the days of King Herod, behold, magi from the east arrived in Jerusalem, saying,

"Where is the newborn king of the Jews? We saw his star at its rising and have come to do him homage."

When King Herod heard this, he was greatly troubled, and all Jerusalem with him. Assembling all the chief priests and the scribes of the people, He inquired of them where the Christ was to be born.

They said to him,

"In Bethlehem of Judea, for thus it has been written through the prophet:

*And you, Bethlehem, land of Judah, are by no means least among the rulers of Judah; since from you shall come a ruler, who is to shepherd my people Israel."*

Then Herod called the magi secretly and ascertained from them the time of the star's appearance. He sent them to Bethlehem and said,

"Go and search diligently for the child. When you have found him, bring me word, that I too may go and do him homage."

After their audience with the king they set out. And behold, the star that they had seen at its rising preceded them, until it came and stopped over the place where the child was. They were overjoyed at seeing the star, and on entering the house they saw the child with Mary his mother.

They prostrated themselves and did him homage.

Then they opened their treasures and offered him gifts of gold, frankincense, and myrrh. And having been warned in a dream not to return to Herod, they departed for their country by another way.

## **FR. ANTONY'S LETTER**

Dear Friends,

**When the three-year-old son was shown a portrait** of his five older brothers, taken when they were much younger, he pointed and said, "Those guys are wearing my clothes." Only in a family one can easily say "in everything and in all respects, what is mine is yours and what is yours is mine". Because in a family, like branches on a tree, we all grow in different directions, yet we all have the same roots. We are basically one though we seem different.

**Today is the Solemn Feast of the Holy Family.** To be human is to belong to a family. That is the reason that when God decided to be a human being, God was born in a family, from Nazareth. born of Mary the mother, and belonging to the family of David through Joseph his foster father. Being a member of a human family God empowers each family to become a Holy family by serving God through each other.

**The Holiness of the Human Family is not a single reality but a multifaceted mystery.** It is a biological reality if we look at it as where humans breed. It is a social reality setting each of us in a web of relationships. It is a foundational reality for without it we would not become who we are. It is basically a divine reality because, on the one hand God Himself chose to be a member of a family in order to live with humans and, on the other hand, each family in its very nature is creative and of self-sacrificing love like God. In all these aspects families are the compasses that guide us. They are the inspiration to reach great heights, and our comfort when we occasionally falter.

**As long as we live, each of us is a living arrow sent from the bow of the family,** expressing and experiencing the force of family love. Once the force of love fails to be operative in us, we become a deadly weapon in the hands of whomsoever we relate with. We become who we belong to. Mother Teresa used to say "What we can do to promote world peace? Go home and love your family." Yes, family is the origin and source to supply whatever the world is in need of. The family is the breeding ground of peace, justice, compassion and the noble virtues which alone can promise, promote and actualize all that the world needs for a peaceful and prosperous life. Let us belong to our families. Let us be ready to live our family relationship at all costs. Let us pray that families, especially struggling families, be blessed and guided by God's grace.

**Happy and Healthy New Year 2021.** May God grant us a new start with health and prosperity, peace and joy. May God fill our families with His Grace to grow in love. May what we rejoice and learn in our families overflow through each of us into society. Like the Holy Family, let us bring Jesus wherever we go and in whatever we do

Fr. Antony

## Focus on Religious Freedom

[www.cffor.org](http://www.cffor.org)

### 2020 Ends: With No End to Discrimination Against Religious Freedom

*"Of course, there are dangers in religious freedom and freedom of opinion.*

*But to deny these rights is worse than dangerous, it is absolutely fatal to liberty."*

- President Harry S. Truman

**San Francisco, CA:** As new restrictions are imposed on churches that will now ban indoor worship services in some counties, Abp. Salvatore Cordileone said, "Worship is both a natural and a Constitutional right. My people want to receive the Body and Blood of Christ; they need it, and have every right to be free to do so."<sup>(1)</sup> The new health order treats religious worship as a "non-essential" activity, while allowing hair & nail salons, massage parlors, and tattoo parlors to remain open. The Archbishop criticized the government for "demoting worship" and further said, "But the government still chooses to treat worship as less important than shopping for shoes."<sup>(2)</sup> However, in May, 2020, Pres. Trump said, "Today, I am identifying houses of worship, churches, synagogues, and mosques, as essential places that provide essential services."<sup>(3)</sup>

**Mississippi:** A 3rd grade girl was banned from wearing her "Jesus Loves Me" mask even though "Other students within the school district have freely worn masks with logos of sports teams or even the words 'Black Lives Matter,'" said an Alliance Defending Freedom (ADF) attorney.<sup>(4)</sup> School administrators forced her to remove the mask because it had a "religious message."<sup>(5)</sup>

The school's action was a clear violation of the U.S. Department of Education's Guidance on students' religious freedom which states: "Students may display religious messages on items of clothing to the same extent that they are permitted to display other comparable messages."<sup>(6)</sup>

"Public schools have a duty to respect the free expression of students that the First Amendment guarantees to them. ... No public school student should be singled out for peacefully sharing her religious

beliefs with fellow students," said ADF counsel.<sup>(7)</sup>

**Kentucky:** A Federal Appeals Court recently overturned a lower court's decision that declared Gov. Andy Beshear cannot order private religious schools to stop in-person instruction to prevent the spread of Covid-19. This lower court (U.S. District judge) said the First Amendment protects religious schools' right to make decisions without government interference. "If social distancing is good enough for offices, colleges, and universities within the Commonwealth, it is good enough for religious K-12 schools that benefit from Constitutional protections."<sup>(8)</sup>

However, the new ruling from the Federal Appeals Court stated, "We are not in a position to second-guess the governor's determination regarding the health & safety of the Commonwealth at this point in time."<sup>(9)</sup> thereby denying First Amendment protections to religious schools.

The Kentucky Attorney General who supports First Amendment protections, said, "...we're already hard at work to take this matter to the U.S. Supreme Court."<sup>(10)</sup>

During these difficult times, as a family of faith, we turn to our Heavenly Father in prayer. You are invited to submit your prayer intentions and those of your family. All prayer intentions will be placed in a basket near the altar in St Thomas More before each Mass. We are streaming Sunday Mass on Saturday at 5pm at [www.stmli.org](http://www.stmli.org). Daily mass is posted Monday through Friday on [YouTube](https://www.youtube.com)

The basket will serve as a silent reminder that we are united in faith, hope and love as we lift one another up in prayer and support, while placing our trust in the Lord.

*“For me, prayer is a surge of the heart; it is a simple look turned toward heaven, it is a cry of recognition and of love, embracing both trial and joy.”*

*St. Therese of Lisieux*
